

SimpleRisk Release Notes

Version: 20260909-001

This release fixes a false-positive issue in the Data Integrity scan.

If you are not currently running SimpleRisk, please download the application and follow the installation instructions for your preferred method.

If you are running a previous release, navigate to **Configure** → **Register & Upgrade** and click **Upgrade the Application**. This process upgrades both the application and the database to the latest release.

SimpleRisk Core

Bug Fix

- Fixed the Data Integrity scan incorrectly flagging valid text as corrupted, and added automatic cleanup of resolved issues.
